

E&S Resource Page WEEK 10 Pilgrims at Plymouth: Why They Came

Pilgrim Coloring Pages are available at the end of this PDF

DAY 2

Activity 4. Blank Map of Pilgrim Voyage available in [Explorers Maps on the Resource Page: https://cultivatedlearning.org/es/](https://cultivatedlearning.org/es/).

If you want to start a detailed map journey from Scrooby to Holland and then out, see the "Europe in the 1600's" map options below. There are two options to print for your kids (plus an answer key). They can either have them just mark the spots without labeling on the side, or if you want to have them do oral review without prompting them with the correct sequence, there is a blank map. Finally, we have a KEY that shows each location. This is a great activity that you can start this week with marking Scrooby and then the two escape attempts. Next week you can finish with departing...
